If you are already a shareholding member of the Principality at the time of signing the form, the following wording in the paragraphs below does not apply to you. Please go to the signature line.

By applying to open the share account after 5th June 2000, I agree with the Principality and the Charities Aid Foundation ("CAF") that I will assign to CAF (or to any charities nominated by it, but to no other person) the rights to any Conversion Benefits which I might become entitled to receive as a shareholding member with the Principality at any time within the seven years immediately following the date on which my share account is opened. This agreement is irrevocable and authorises the Principality to make over to the CAF (or to any charities nominated by it) any such Conversion Benefits without further notice to me. I understand that neither the Principality nor the CAF will release me from this agreement or vary its terms.

For this purpose "Conversion Benefits" means any benefits under the terms of any future transfer of the Principality's business to a company except the statutory right to have shares in the Principality converted into deposits with the company and, if the Principality merges with any other building society, "Society" shall, after the date of such merger, extend to such other society.

- Notes:
- (1) In the event of the death of a joint investor, the account will be vested in the survivor(s).
 - (2) The person named first overleaf will, in the case of a share account, be treated as the Representative Joint Shareholder under the Principality Rules. Joint holders are entitled to choose the order in which they are named.
