

# Dedicated Protection Sales Team

## Developing your Protection Business

We are delighted to introduce you to your new dedicated sales team for Sesame and PMS firms with effect from 1st January 2023. We have made these changes to align ourselves more closely with our most important Partners. Our experienced team of BDM's and Telephone BDM's will now be even better placed to support your members in growing their Protection business.

### They are ready to support with:

- Ideas to help develop into new markets
- Training on our Protection Product range and our Proposition
- Large case, Business Protection and Trust technical guidance
- Business quality & retention
- Presenting at Team Meetings and delivering webinars
